Help us by not scheduling appointments on these mornings. We should be done by 11:30. Please do not be disappointed if you arrive to pick your child up before then and we cannot release them. By law, students must finish the test if started.

A good breakfast is important—be on time each day—words of encouragement and support mean the world to nervous test takers!

Please call us with any questions.

Kids—make sure your parents know! Tear off the top of this note and bring with their signature to receive 1 house point for your house!
