OSPREY GREETING

BY INTERIM PRINCIPAL OSBORNE

Hello Osprey Families! Thank you in advance for helping your student have good attendance. We are working hard at learning, and we don't want students to miss out on instructional time. Also, attendance this quarter is what the state uses to determine our funding for next year.

Please remind your student of our uniform policy. It seems that some students are being lax in meeting the uniform expectations for our school lately. For reference, our uniform policy on our school website, as well as in the parent handbook.

Leader in Me: Organizational Skills

Organization is a skill learned over time. By teaching organization at home, your child will learn this important skill. Modeling these skills will encourage your student to take responsibility for their own organization. Use these first three Habits as a learning tool for you and your kid:

HABIT 1: BE PROACTIVE

Habit 1 is about **initiative and responsibility**. Each night, help your student determine what they will need for the next day. To start, writing a list may be helpful.

HABIT 2: BEGIN WITH THE END IN MIND

Habit 2 is about visualizing how you would like something to turn out **before it happens**. Your student may actually have time to do something extra in the morning if they are organized, and you will all have a happy start to the day.

HABIT 3: PUT FIRST THINGS FIRST

Habit 3 means focusing on the task when there's something else you would rather be doing. Help your student **learn how to avoid distractions** by reminding them that, if they stick to it, all the fun things can come right after!

CONCLUSION

Remember, it may take time to teach your student these skills. Sometimes, it will seem simpler just to do it for them. Using Habits 1-3 is a life skill that will benefit them their entire lives.
