OSPREY GREETING

BY INTERIM PRINCIPAL OSBORNE

Hello Osprey Families! Thank you to all who joined us for our Jolly Jamboree. What a wonderful holiday celebration showcasing our students hard work and learning in the arts!

We wish everyone a safe and happy winter break. We look forward to seeing everyone on January 5 when school resumes, ready to P.U.S.H. and do our best for the second semester!

UPCOMING EVENTS

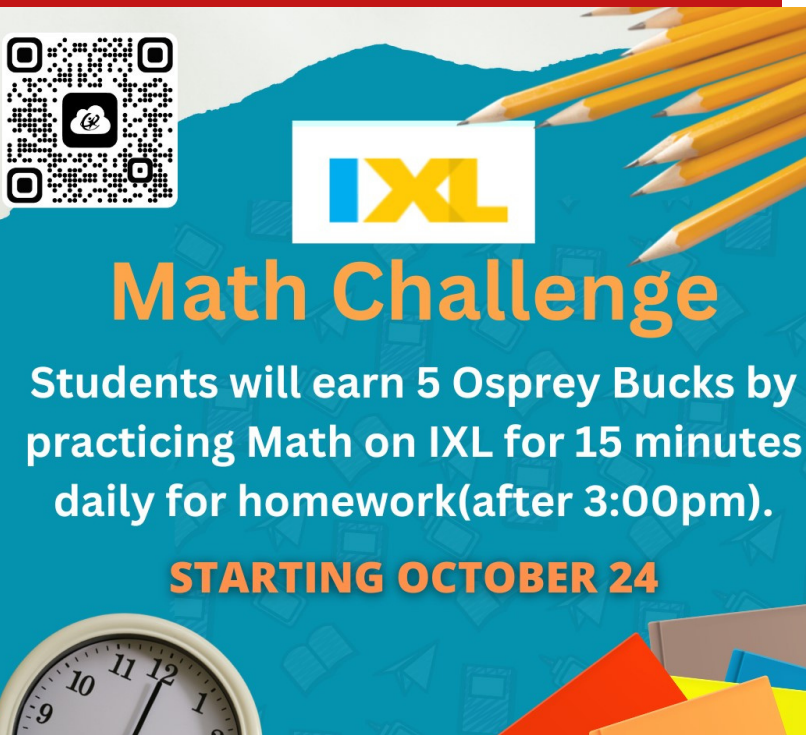

December 20-January 4
Winter Break

January 5
School Resumes

January 11
Q2 Report Cards Go Home

January 13
Q2 Awards

NEWS THIS WEEK

A graphic for the IXL Math Challenge. It features a QR code in the top left corner. The background is blue with a mountain silhouette and several yellow pencils. The IXL logo is in the center. Below it, the text 'Math Challenge' is written in large, bold, orange letters. Underneath that, in white text, it says 'Students will earn 5 Osprey Bucks by practicing Math on IXL for 15 minutes daily for homework(after 3:00pm).' At the bottom, in orange text, it says 'STARTING OCTOBER 24'. There is also a clock and some papers at the bottom left.

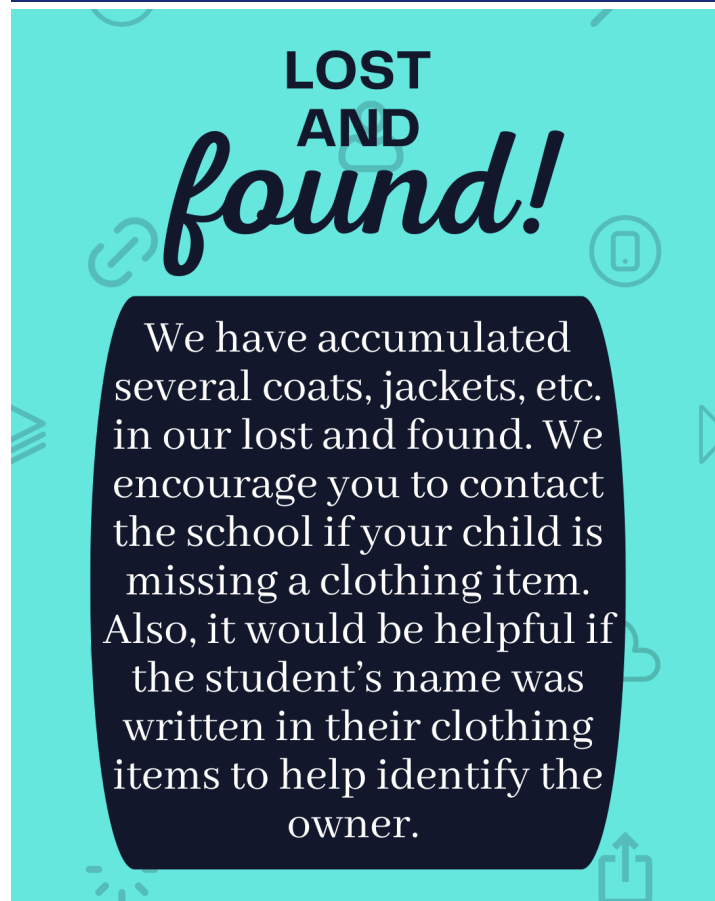

IXL Math Homework Challenge. Students are encouraged to spend 15 minutes or more on IXL Math per day for homework or 60 minutes for the week. Students who reach the goal of 60 minutes per week during the Winter Break will receive 5 Osprey bucks per week. Students can sign in at the district's custom IXL page: <https://www.ixl.com/signin/beaufortcsd>, or you can download the app from the Apples of Google Play stores.

Winter Break Get It Right IXL Challenge:

Along with the Homework Challenge, students will also have the opportunity to earn more Osprey bucks based on the number of correct answers. The top 10 students from each grade level will receive 5 Osprey bucks.

A graphic for a 'Lost and Found' notice. The background is light blue with various icons like a link, a phone, and a cloud. The text 'LOST AND found!' is written in a mix of bold, black, and cursive fonts. Below this, in a dark blue rounded rectangle, is the text: 'We have accumulated several coats, jackets, etc. in our lost and found. We encourage you to contact the school if your child is missing a clothing item. Also, it would be helpful if the student's name was written in their clothing items to help identify the owner.' There is a share icon at the bottom right.A graphic for a 'Super Staff Shout Out'. The background is dark grey with a chalkboard texture. The text 'Super Staff SHOUT OUT!' is written in a mix of cursive and bold, sans-serif fonts. Below this, in white text, is the text: 'Parents, this is your opportunity to recognize a member of the Lady's Island Elementary School staff for the amazing work they do! Please scan the QR code below to select the staff member of your choice. Provide a brief explanation as to why this staff member deserves this recognition. Thanks for your participation!'. At the bottom, there is a red apple, two white chalk pieces, and a QR code.

SUPPORTING DIGITAL LEARNING

As a parent you can support your student in digital learning through a variety of strategies. You don't need to be an expert! You can empower your child to lead their own learning. You can help by offering encouragement and an environment that is effective to access online content. Below are some ideas and language that can support your student's digital experience. They are organized by habit to encourage the ongoing use of the 7 Habits language used at school:

Habits	Ideas for Digital Learning	Language
Habit 1: Be Proactive	Ensure students have all the important information and training they need before they start.	What can you proactively do before you participate in this activity?
Habit 2: Begin with the End in Mind	Encourage your student to share their goals and end in mind for the work.	What is the end in mind for this activity?
Habit 3: Put First Things First	Ensure your student has the right technology (devices, sound, etc.) before they begin.	How will this (platform/activity) help you as a learner?
Habit 4: Think Win-Win	Decide on a win-win for both you and your student during the online time.	What will be a win-win for you and your teacher?
Habit 5: Seek First to Understand, Then to Be Understood	Find out if your student has questions, concerns, or needs before you share your thoughts and ideas.	What did you hear about this (platform/activity) and what do you need your teacher or me to know?
Habit 6: Synergize	Ask your child what they need from you and other family members to be successful.	Who can you go to for help or ideas?
Habit 7: Sharpen the Saw	Ensure your child has plenty to eat and drink and has a quiet space that is comfortable for them.	Where are you going to sit? What will your breaks look like? How will you take care of your body?
