OSPREY GREETING

BY PRINCIPAL COLEMAN

Hello Osprey Families!

This past Saturday, we had the opportunity to kick off Osprey Parent Academy! Thank you to the families who joined us to learn about your individual child's data, how to support them at home through iReady and IXL, and how to connect home and school to empower students to lead their learning. Our next Osprey Parent Academy will be on Saturday, January 21, from 10-12. Please mark your calendar. We will have daycare and a meal provided. Another big shoutout to all families who participated in our Doughnut Fundraiser. We were able to profit nearly \$4,000 to support our school initiatives. Way to go families! Our next big fundraiser is our Osprey Pageant on November 5 at 4:00 at Beaufort High School. If you want a ticket, you may purchase a ticket online at our school store or in our front office on Mondays, Wednesdays, and Fridays from 7:15-11:00 each of the days specified. As always Osprey Family, oh, the places we will go when we P.U.S.H. together!

LEADER IN ME

Dear Osprey Parents/Guardians,

Our school is implementing a whole-school transformational process called the Leader in Me, which teaches 21st-century leadership and life skills to students and creates a culture of student empowerment based on the idea that every child can be a leader.

Our school will be conducting surveys to learn more about key areas of strength and areas of needed growth in our school. In order for us to have a holistic picture of what is going on in our school, we are asking all full-time staff members, parents/guardians, and 4th and 5th grade students to participate.

Parents, we need your support by completing the survey. The survey is completely anonymous, it will not share your name or any other identifying information that will be available through the weblink below. The survey is completely voluntary, but we do hope to get feedback from one member of every household.

The survey takes about 12 minutes to complete and will ask questions about your child and about his or her experience in our school. If you have more than one child attending the school, you will be asked to think about the oldest child's experiences as you answer questions related to his or her growth.

You may take survey by clicking here:

<https://www.leaderinme.com/s/lady-s-island-elementary-school/families>

Please complete the survey by: October 6, 2022.

Your support is greatly appreciated.
