## OSPREY GREETING

BY INTERIM PRINCIPAL OSBORNE

Hello Osprey Families! We are proud of the students' hard work on iReady testing. We get a testing break until late March with MAP for grades 3-5.

Visitors consistently comment on how peaceful our school is and how happy our kids are. We could not have this atmosphere without the tremendous parent support from each of you.

Because an assistant principal won't be available until next school year, we are fortunate to have retired educator Ms. Jamie Pinckney helping with some of the work for that role a few days a week for the rest of the year. She is the former principal at Okatie Elementary and has many years of experience. Feel free to introduce yourself when you stop by.

### Leader in Me: Respecting Diversity

Today, more than ever, students interact with diverse people. The person who learns to be open to differences will have more opportunities in education, business, and many other aspects of life. Your student's success depends on being able to understand, appreciate, and include others. One of the best ways for families to respect and honor diversity is to model it at home. Modeling for your student that you respect, honor, and appreciate all walks of life is key to unlocking your own student's heart and mind.

- *Habit 1: Be Proactive* - You're in charge: take responsibility for your thoughts and actions.
- *Habit 2: Begin With the End in Mind* - Have a plan: know what you want and what you value and believe. Ensure that you have an awareness of others' values and beliefs.
- *Habit 3: Put First Things First* - Live by your values and beliefs. Respect others' values and beliefs.
- *Habit 4: Think Win-Win* - Everyone can win: think of mutual benefit with others.
- *Habit 5: Seek First to Understand, Then to Be Understood* - Listen before you talk. Seek to understand others and to be understood by others. Every person deserves a voice.
- *Habit 6: Synergize* - Creatively cooperate with others. Be open to all ideas, thoughts, and beliefs.
- *Habit 7: Sharpen the Saw* - Balance feels best. Continuously renew your body, mind, heart, and spirit. Engage in educating yourself and your child about values, beliefs, and cultures that are different from your own.

When parents encourage learning and living the 7 Habits, they are teaching their students to respect diversity while always acting with integrity to their own principles and values.
